

Premium Metal Clinical Waste Bin Specification Sheet

Specification:

- Various Sizes (20ltr, 50ltr, 70ltr and 90ltr)
- Hands free lid with foot operator
- Off the wall design
- Rubber feet to prevent floors being marked by the metal base and also help stop any rusting.
- Rounded corners designed to prevent damage or injury as opposed to square corners.
- All bins come with 2 year warranty.
- Solid body with a bungee bag holder (An easy –on bag retention strap)
- All the metal sack holders are designed and tested to UK government fire retardancy standards.

Options:

- Silent Closing lid (We fit a special silent closing device at the rear of the bin which enables the lid to close quietly).
- Coloured lid or body: white, black, yellow, orange, purple, red, blue or mushroom
